### Absences from School

We understand that people will miss school from time to time, but it helps us to know if you don't plan to attend. Call and let us know if your child is ill so we may let other families know too. Families benefit from the extra days when we know they will be available. Please help us with this process. Thanks!

**IMMUNIZATIONS** must be kept current. Please bring an updated shot record to school.

Thank you!

### Drop-In Charges Due

The next time you need to "drop in" (a day you don't normally attend) we will need the tuition to be paid at that time. All accounts must be paid **in full by the end of the month**. We appreciate your cooperation with this policy. Thank you!

### DANGER in the Parking Lot!

Cars have been racing through our parking lot at speeds exceeding 20 miles per hour and this is a problem. Please remember that young children are at risk with speeding cars in the parking lot. We appreciate everyone remembering that there is precious cargo everywhere. SLOW it down.

### French on Fridays

Each Friday we will have French lessons for the Jaguars and Cheetahs. Thirty-minute lessons will take place in the children's classroom. Our French teacher is Susanne Huffman. She is an adjunct instructor at UCO in French and mother to one of our Jaguars, Oliver. Susanne has a degree in Elementary Education from the University of Oklahoma and another degree in Modern Language in French from the University of Central Oklahoma. We are thrilled to have Susanne teach our oldest groups the beginning of conversational francais. Bienvenue Madame Huffman!

### Art Classes with Ms. Megann

Each Tuesday the Jaguars and Cheetahs have a thirty minute art lesson. They are learning about the different concepts in art such as names of the tools, techniques, colors, shapes, etc. The best part is the unique expression of each child. It is our goal that the children enjoy the process and not the end product. It seems they are doing just that.

## Tippi Toes

Tippi Toes offers positive, fun dance classes for girls and boys ages 1.5 – 6 years-old! Our mission: to develop a love of dancing in children by creating a positive experience that promotes healthy living habits, helps build self-confidence, and a love for others. Classes at TLC are on Mondays from 10:30-10:55 a.m. Tuition is \$40 per month. To enroll, please go to [www.tippitoesdance.com/oklahoma-city](http://www.tippitoesdance.com/oklahoma-city) and follow the instructions. We do have classes all summer, too.

## Amazing Athletes

Amazing Athletes is an introduction into the basic fundamentals and mechanics of nine different sports and focuses on self-confidence, practicing teamwork, and improving seven key areas of motor development. Young children need guidance in building their balance, agility and strength training within a non-competitive, learning-based environment.

Each class focuses on two different sports and incorporates activities proven to increase children's overall cardiovascular fitness, muscle tone, hand-eye coordination, reaction time and more! Teaching children life skills through sports is FUN! Classes are held on Mondays, Thursdays and Fridays, too. The program is for Monkeys, Zebras, Jaguars and Cheetahs. This program is a year-round activity. Wear your Amazing Athletes' shirts on the day you attend!

## Music Classes

Your monthly tuition also includes Music class on Wednesdays. Each week we have Miss Andrea from Munchkin Music bring her expertise to the Cubs (infants) through Cheetahs. All of the children enjoy their music time and look forward to it. We have a Christmas Music Program and spring demonstration to share what the children have learned. Each month we send out songs, finger plays and key concepts that Andrea is working on with the children. Watch for this information each month in an email. Drop by to see the children in action. It is quite fun!

## Focused Portfolios

Our staff uses a process of documentation called "Focused Portfolios" to record children's growth and development. Through photographs, anecdotes and children's work samples, teachers put together a visual account of each child's accomplishments. This process recognizes and celebrates that all children develop at different rates and with various strengths. Collections are completed in fall and spring and are kept in a folder for the year, after which the portfolio becomes a keepsake for the child and family. This collection is a representation of your child as an individual with distinct interests, background, skills and desires. We will offer family conferences twice a year to share these special collections and to celebrate the accomplishments of your child. Families are invited to participate in this portfolio collection process in whichever special way you choose. Here are some suggestions:

- ⇒ Create a photo collage of your immediate or extended family
- ⇒ Write about a special family event or trip and include a photo
- ⇒ Share how your child's name was selected
- ⇒ Describe a family hobby or typical weekend past time

## Monthly Fire Drill

Our last fire drill was held July 26. The drill went well although the new little ones didn't like the loud noise of the alarm. Make sure you practice what to do at home, too. What does your plan look like? Where does your family meet? Things to think about before the time is necessary. . .
