Monday & Wednesdays close by 2:30, Tuesday & Thursdays close by 4 and Fridays 1:59.** Thanks!

## Absences from School

We understand that people will miss school from time to time, but it helps us to know if you don't plan to attend. Call and let us know if your child is ill so we may let other families know too. Families benefit from the extra days when we know they will be available. We will call to see if your child is well. Everyone wants to know if someone has something contagious. Especially during this pandemic. Please help us with this process. Thanks!

## Drop-In Charges Due

The next time you need to "drop in" (a day you don't normally attend) we will need the tuition to be paid at that time. All accounts must be paid **in full by the end of each month**. We appreciate your cooperation with this policy. Thank you!

## Halloween Parties

Halloween day was a fun one at The Learning Center! Each class had a marvelous time dressing up for their class parties, doing special activities, and enjoying yummy food with their friends!

## Focused Portfolios

Our staff uses a process of documentation called "Focused Portfolios" to record children's growth and development. Through photographs, anecdotes and children's work samples, teachers put together a visual account of each child's accomplishments. This process recognizes and celebrates that all children develop at different rates and with various strengths. Collections are completed in fall and spring and are kept in a folder for the year, after which the portfolio becomes a keepsake for the child and family. This collection is a representation of your child as an individual with distinct interests, background, skills and desires. We will offer family conferences twice a year to share these special collections and to celebrate the accomplishments of your child. Families are invited to participate in this portfolio collection process in whichever special way you choose. Here are some suggestions:

- ⇒ Create a photo collage of your immediate or extended family
- ⇒ Write about a special family event or trip and include a photo
- ⇒ Share how your child's name was selected
- ⇒ Describe a family hobby or typical weekend past time

**IMMUNIZATIONS must be kept current. Please bring an updated shot record to school.**

## Amazing Athletes

Amazing Athletes is an introduction into the basic fundamentals and mechanics of nine different sports and focuses on self-confidence, practicing teamwork, and improving seven key areas of motor development. Young children need guidance in building their balance, agility and strength training within a non-competitive, learning-based environment. Each class focuses on two different sports and incorporates activities proven to increase children's overall cardiovascular fitness, muscle tone, hand-eye coordination, reaction time and more! Teaching children life skills through sports is FUN! Classes are held on Mondays, Thursdays and Fridays, too. The program is for Monkeys, Zebras, Jaguars and Cheetahs. This program is a year-round activity. Wear your Amazing Athletes' shirts on the day you attend!

## Music Classes

Your monthly tuition also includes Music class on Wednesdays. Each week we have Miss Jordan brings her expertise to the Cubs (infants) through Cheetahs. All of the children enjoy their music time and look forward to it. They are learning nursery rhymes, finger plays, rhythm instruments and children's songs.

## Art Classes

Each week our Jaguars and Cheetahs experience art in our art studio upstairs with Ms. Sidney! Ms. Sidney brings a variety of creative art lessons to our students. We love to watch this process and get creative each week!

## Monthly Fire Drill

Our last fire drill was held on October 11th. The drill went okay on completely exiting the building. The loud noise of the alarm definitely gets everyone's attention. Make sure you practice what to do at home, too.

What does your plan look like? Where does your

## Speech Screenings Continued

We have an agency providing speech-language screenings with written permission. They will come each week to finish screening children. If you have any concerns or wish to have your child screened, please tell your teachers. We have a form that you can fill out. This is a "no fee" screening just to make sure our children are on track with their development. The agency is Eagles Nest, and they provide pediatric therapy
